

YEAR 12 2007

STUDENT DESTINATIONS

Tagai State College - Thursday Island Secondary

Introduction

This report is based on the findings of the Queensland Government *Next Step* survey, which targeted all students who completed Year 12 and gained a Senior Certificate or Certificate of Post-Compulsory School Education in 2007, whether they attended a Government, Catholic or independent school, or a TAFE secondary college. The Office of the Government Statistician conducted the survey between 2 April and 17 May 2008, approximately six months after the young people left school. Responses were predominantly collected via computer-assisted telephone interview with a paper-based survey collected from a small number of students for whom telephone details were not available.

The statewide and regional reports of the *Next Step* survey can be located at the *Next Step* website at www.education.qld.gov.au/nextstep
