Kubin Village State School is a PrePrep - Year7 school situated on Moa Island in the central western area of the Torres Strait. The 50-60 students are indigenous Torres Strait Islanders. They enjoy a culturally rich environment that endorses respect for the elders and their teachings, real-life, hands-on experiences and the acceptance of differences in others. This email address is being protected from spam bots, you need Javascript enabled to view it "Bound for Success" guides the direction of education at this school and our focus is to provide a professionally focussed and competent staff that is accountable to ensure the best outcomes for all students. The Kubin Campus works with TSIREC, the local community, neighbouring island schools and Education Queensland to establish a culture of respect, success and adventurous learning.
