Message from the Head of Campus

Welcome to our Week 6 Newsletter.

Last week, it was great to see our amazing community join together to celebrate Mabo Day. It was incredible to see our school join with community in dance and celebration. We hope to make these community events more regular. It is important that our school is a strong part of our community. By bringing the students down into community for events, YUMI join together for our children.

Attendance Challenge

Big congratulations to Urugubaw for reaching 100% attendance 3 days last week. Urugubaw also had the BEST attendance in Week 7 and Week 8. Congratulations Urugubaw! Remember missing 1 day of school per week is the same as missing 2.5 years of education in a child's life. Every day counts!

TSIREC Update

Earlier this week, our P&C President, Chelsea Aniba and our P&C Vice President and SWO, Norah Tabuai, travelled to Cairns to discuss the new Governance structures for the Torres Strait Islands Regional Education Council.

Each year, the P&C is required to elect a TSIREC Member for our community. These elections will be held at an upcoming P&C Meeting. If you would like to know more about the role of TSIREC, please contact our P&C.

Urugubaw Class

Fabulous Urugubaw have been finishing and editing their persuasive texts and will soon be presenting them to their class. Students are working hard to complete all of their assessments before reports are handed out in week 10. The students really enjoyed participating in the reconciliation week activities that happened last week!

Yumi Education

Home Visits – Absences

At Kadhego Ngurpay Lag, we do Home Visits when children are away. Norah, our SWO, is here to help. When we do home visits, we are offering our help to get your child to school.

Home Visits – Notes

We also do home visits to get consent forms signed and handout notes. These home visits are to support families.

If you have any questions, please speak with our HOC or SWO.

Mekay Class

Mekay have been developing their growth mindset and persistence while completing assessment. The students showed confidence by presenting their persuasive texts for the class. We are enjoying outdoor maths lessons and are excited to start creating our recycled product for technology!

Ubar Class

Ubar students have been finishing their persuasive texts about environmental sustainability. We have also been doing some team challenges to help us work together.

Woerab Class

Woerab students have been presenting their persuasive texts using PowerPoint. In Mathematics, we have been examining 3D objects and their nets.

I am Respectful

I listen to the speaker

I use whole-body listening

I look at the person who is talking

I wait for my turn to speak

Tagai State College - Saibai Island Campus

Dawa Class

As part of Reconciliation Week, the Kindy's coloured their 'Mabo Day' banners and were very proud to show them off.

In Maths, the Preps have enjoyed learning about patterns and sharing their knowledge, in preparation for assessment.

Under 12 School Rugby

Recently, Alma-Rose travelled to TI to participate in Under 12 Girls Rugby Trials for the Peninsula Team. Alma-Rose scored an incredible try and has been selected as part of the Tagai team going to Cairns in July. Congratulations Alma-Rose.

Youth Parliament

Kadhego School Captains, Ricky and Celeste have been invited to attend the Youth Parliament on Thursday Island on the 22nd July. One of these students will be the 'Youth Premier' and the students will have to present their future vision for QLD. What a great opportunity for our Saibai Students!
