

# Tagai College

## CODE OF CONDUCT

As parents and visitors we are role models.  
Our children are watching our actions.  
Our children are hearing our words.

## COMMUNICATION

As parents and visitors we are polite & kind:

- When we write we use kind words
- We use manners like "please" and "thank you"
- When we speak we use a gentle tone

As parents and visitors we celebrate diversity

- We recognise that we are all different
- We respect difference and learn from each other
- We are honest when we don't understand a person's view

As parents and visitors we honour our school's processes

- We communicate respectfully and listen to understand
- We are honest and request to meet with teachers if we have concerns
- We respect Tagai College's educators and their time

## WORKING TOGETHER

As parents and visitors we value education

- We help our children attend school everyday
- We help our children get to school safely
- We teach our children about the student code of conduct

## SCHOOL CULTURE

As parents and visitors we value every child

- We understand that our actions impact the whole community
- We see every child as important
- We see that our teachers are here for all of our children
- We use positive words when we speak about our staff
- We do not gossip about school staff or students in person, writing or on social media
