

Investing for Success

**Under this agreement for 2022
Tagai State College will receive**

\$1,518,293*

- Includes carry over from 2021

This funding will be used to

- Improve literacy across all campuses by focussing on a systems approach and college-wide expectations
- Continually improve Positive Behaviour for Learning (PBL) as a college-wide way of working to improve our culture that promotes learning
- Improve student attendance
- Drive high quality leadership and teaching practice in all campuses through monitoring systems, support and specialised capability development programs
- Provide college-wide resources in all campuses to support alignment of practices
- Meaningfully engage communities in their childrens' education and shaping the strategic direction of the college in partnership with YUMI education and TSIREC
- Increase the proportion of students exiting year 12 with a QCE and industry standard vocational qualifications eg. coxswain's licence, VET certificates

Our initiatives include

- Readers Cup competition
- Designing and implementing a college-wide literacy system
- Executive visits to campuses and local communities
- Leadership development and networking through face to face forums
- Tailored leadership and professional development opportunities
- Tailored senior schooling pathways and accessing VET certificates
- Reviving the college maritime excellence program
- Staff salaries to support existing human resources commitments in college operations
- Resources to support targeted programs
- Attendance promotion and rewards initiatives
